

March 18, 2013

Dear President,

The 'Corvettes of Grays Harbor' Corvette Club cordially invite the members of your Corvette Club to our 4th annual all Corvette show, 'Vettes at the Marina' (formally Vettes at the Vineyard). Our all Corvette show will be in conjunction with the annual Westport Art Festival. Westhaven Drive will be closed for our Corvette Show parking on the street, with Art Festival vendors set up on the esplanade alongside the waterfront and all the Westport shops (gift shops, cafes, restaurants, charter offices, etc.) on the opposite side. There will be hundreds (if not more) people in town for the Art Festival and the All Corvette Show. So be prepared for an exciting and fun-filled day.
