

Hello Corvette Club Family!

The Spokane Corvette Club is excited to announce the 2023 Glass On Grass All-Corvette Show & Shine on the beautiful grass meadows of Mirabeau Park.

This year's show will be focused on the Anniversaries...the 70th for the Corvette, the 65th for the Spokane Corvette Club, and our 30th Glass On Grass Show. And of course, providing needed donations to our perpetual charity, the Shriners Children's Hospital.

We have a few options for this year's show, including a Friday Meet & Eat with Saturday Show & Shine package, or the Saturday Show & Shine with an optional Wine tasting event after the show. And, this year we offer the ease of online credit card payments.

Our Friday night Meet & Eat will be located at the new and exciting Historic Flight Museum. The museum holds historic aircraft displays inside and out...and maybe a few anniversary Corvettes! We'll have live music during the catered Italian-themed buffet along with an opportunity to pick up your registration package, bid on silent auction items, and still have plenty of time to roam the aircraft displays.

On Saturday morning we will meet at Mirabeau Park Meadows for the Show & Shine. Food and coffee trucks will be available along with activities throughout the day, including a silent auction, gift baskets, door prizes, and more. This year, credit cards will be accepted for silent auctions and late registrations.

On Saturday we'll have an Anniversary Corral for those lucky enough to own one of the Corvette Anniversary models.

There are 16 hotels within four miles of Glass On Grass and one, Tru by Hilton, is only a quarter mile away.

For those who are looking to include Glass On Grass in their vacation plans, we are only 24 miles away from the exceptional beauty of Idaho's Lake Coeur d'Alene, and just over four hours to Montana's Glacier National Park. Or you may choose to drive one of the many regional Scenic Byways or visit one of the 100 lakes and rivers within a one-hour drive.

Registration is open, so sign up soon as our Friday night and Wine packages are limited. Online registration options are available for both credit card and mail-in payments.

HISTORIC FLIGHT™

The celebration kicks off with a Meet & Eat on Friday, July 28th at the Historic Flight Museum located at Felts Field Airport with a catered Italian-themed buffet dinner and no-host bar. This new venue offers a collection of the most important aircraft produced between 1927 and 1957, all restored and airborne again. Wander through the hangar full of meticulously restored vintage aircraft or step outside to find more aircraft on display such as the B-25 bomber. Join us at 5pm for social hour, with dinner at 6pm. Music starts at 6pm. The evening ends at 9pm, so you'll have plenty of time to take in all the displays. For information about the Historic Flight Museum go to www.historicflight.org or see the videos at [Video 1](#) or [Video 2](#). Historic Flight is located at 5829 East Rutter Ave, Spokane
